## LEVERTON

### **Real Estate Meets Artificial Intelligence**

Increase efficiency. Save time & money.

#### Generate key data automatically

- Accelerate tedious data aggregation exercises
- Deep learning algorithms automatically extract the required information from your documents
- Quickly quality control the extraction results
- Accelerate Due Diligences

# Get real-time insights and access to complete and accurate portfolio data

- Access a structured data repository with all extracted information
- View document information across assets and portfolios
- Access relevant data with only a few clicks exported excel sheets are linked back to the document source

### Increase efficiency for ongoing management

- · Generate a dynamic repository of structured data
- Build upon this "Core" and easily add, renew, and amend documents over time
- Keep your data always up-to-date and ready for reporting
