

WE MAKE BUILDINGS BETTER.

Automated
Logic

At Automated Logic, we are the people behind intelligent buildings. We designed and developed the industry-leading WebCTRL® building automation system, an intuitive, proven platform that provides real-time visibility and control of equipment, systems and facilities – from anywhere in the world. And our people deliver that innovation to real-world sites, installing the WebCTRL system with expertise, achieving the seemingly impossible and bringing intelligent buildings to life.

Visit automatedlogic.com to see how we've been making buildings better for over 40 years.
