

wsg WorkSafeGuardian

You can't hear your **lone worker's cry for help** but we can.

With updated technology now offering voice command alerts the new WorkSafe Guardian app is the next evolution in lone worker safety. WorkSafe Guardian provides your **lone workers** with easy, smart and efficient **24/7 safety monitoring** from their smartphone, with advanced location tracking, welfare check-in and safety and medical alerts.

Specialising in Health Care, Real Estate, Aged Care, Government, Education, Manufacturing, Warehouse and Mining. **Are you meeting your obligations?**
